### Who Are We?

Careline is a small independent charity offering free telephone befriending calls to those living in Derbyshire Dales, Erewash, and East Staffordshire. Our service is available 7 days a week, 365 days a year. Whether you're feeling lonely or isolated, suffering from a bereavement, or simply in need of a little support, we are here to offer friendship.

Calls are quick to set up and there's very little paperwork, which is completed over the phone. We can call you every day or one day a week, it is totally up to you, and at a time that suits you.

If you or someone you know would like a regular call, please get in touch.

**We're here to help brighten your day.**

### Referring yourself or others to our service

You can call a member of staff on 01335 210353, email us at [info@carelinecalling.org.uk](mailto:info@carelinecalling.org.uk). A member of staff will then contact you or them to have a chat, and obtain a few details, with calls set up quickly on an agreed day and time. It couldn't be simpler.

CARELINE OFFERS FRIENDSHIP TO THOSE WHO ARE FEELING ISOLATED OR LONELY

## Welcome to our Winter Community Newsletter

We've had an exciting year of fundraising events so far, including a and our brand-new Spring Fair, our annual Fundraising Walk, and our Christmas Fair!

Earlier this year, we also launched our Vinted page and we've raised an amazing **£143**. Vinted is an online marketplace where you can support our cause by buying clothes, shoes, bags, and accessories. By shopping on Vinted, you help fund your local Telephone Befriending Charity and support sustainability by giving items a second life.

Whether you attend our events, donate, or buy raffle tickets, we deeply appreciate your support. Every contribution enables Careline to keep reaching out to those experiencing loneliness and social isolation.

**Thank you for your support!**

### Fancy becoming a Corporate Supporter?

We are looking for suitable companies to partner with us. By becoming a **Corporate Supporter**, you will:

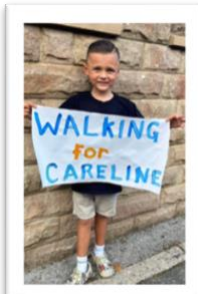

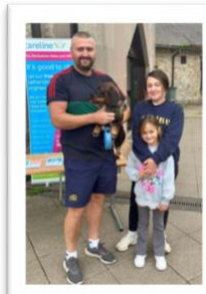

- Be recognised as a company with a social conscience. Your company details and logo will be included in a dedicated section of each newsletter.
- Demonstrate to your clients and employees that you are a socially responsible organisation, something that has been proven to increase sales and motivate staff.
- Have opportunities to involve your employees in fundraising events, helping to strengthen teamwork and boost morale.
- Provide valuable funding for a small charity with a big impact.

If this sounds of interest to your company, please email us at [info@carelinecalling.org.uk](mailto:info@carelinecalling.org.uk) and we can discuss how best to take this forward.
